

# Neurology®

## 2023 **DIRECTORY**

Editors and Editorial Board

# Neurology<sup>®</sup> Education

## Vision

*Neurology<sup>®</sup> Education* will be a premier peer-reviewed journal in the field of neurologic and neuroscience education research.

## Mission

*Neurology: Education* will publish original research articles, reviews, and editorials on evidence-based teaching methods and curriculum innovations, and provide the academic community with a forum to exchange ideas that enhance neurologic and neuroscience teaching and training.

## Editor

**ROY E. STROWD III, MD, MEd, MS, FAAN**

Wake Forest School of Medicine

Department of Neurology

Department of Internal Medicine, Section on Hematology & Oncology

*Specialties: Neuro-oncology, primary brain tumors, leptomeningeal metastases, neurofibromatoses, medical education*

**DARA V.F. ALBERT, DO, MEd**  
Nationwide Children's Hospital/  
The Ohio State University  
Department of Pediatrics,  
Division of Neurology

*Specialties: Child neurology, epilepsy, clinical neurophysiology, psychogenic nonepileptic seizures (events), neurology education*

**MIYA BERNSON-LEUNG, MD, EdM**  
Boston Children's Hospital  
Department of Neurology

*Specialties: Child neurology, pediatric stroke and cerebrovascular disorders, continuing professional development, graduate medical education, residency education*

**GUNDULA BOSCH, PHD, MEd**  
Johns Hopkins Bloomberg  
School of Public Health  
Department of Molecular  
Microbiology & Immunology

*Specialties: Educational scholarship; research ethics; rigor, reproducibility, and transparency in scientific practice*

**NICOLE CHIOTA-MCCOLLUM, MD, MEd**  
Penn Medicine Lancaster  
General Health

*Specialties: Acute ischemic stroke, vasculopathy, carotid disease, cerebral venous sinus thrombosis, neurologic education, learner assessment*

**ANDRES FERNANDEZ, MD, MEd, FACNS**  
Department of Neurology  
Thomas Jefferson University

*Specialties: Electroencephalography, neurology education*

**STEVEN GALETTA, MD, FAAN**  
NYU School of Medicine  
Department of Neurology

*Specialties: Neuro-ophthalmology, idiopathic intracranial hypertension, multiple sclerosis, nystagmus, ocular motility, optic nerve, optic neuritis, visual fields, visual loss*

**CHRIS GILLETTE, PhD**  
Associate Professor and  
Assistant Director of Research  
and Scholarship, Department of  
PA Studies  
Associate Professor,  
Department of Epidemiology  
and Prevention  
Wake Forest School of Medicine

*Specialties: Study design, pharmacoepidemiology, medication utilization, pharmacoconomics, provider-patient communication, statistical analysis*

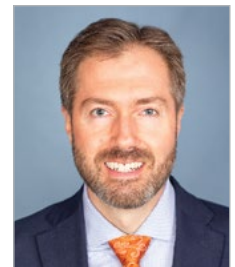

**FAIZAL A. HAJI, MD, PhD, FRCSC**  
Pediatric Neurosurgeon, BC  
Children's Hospital  
Investigator, BC Children's  
Hospital Research Institute  
Member, Centre for Health  
Education Scholarship  
Co-Director, Global Surgery Lab  
Department of Surgery  
University of British Columbia

*Specialties: Pediatric neurosurgery, epilepsy surgery, pediatric cerebrovascular disease*

**PEARCE KORB, MD, MHPE**  
Department of Neurology  
Virginia Commonwealth  
University

*Specialties: Epilepsy, general neurology, hospital neurology, medical education, learning theory, qualitative methodology*

**DOUGLAS P. LARSEN, MD, MEd**  
Professor of Neurology &  
Pediatrics  
Department of Neurology  
Washington University in  
St. Louis School of Medicine

*Specialties: Pediatric neurology, medical education*

**SHARON LEWIS, MD, FAAN, FCCP**

University of Pennsylvania

*Specialties: General neurology, neuromuscular*

**ZACHARY LONDON, MD FAAN**

James W. Albers Collegiate Professor of Neurology  
Clinical Professor

Director, Neurology Residency Program

Department of Neurology  
University of Michigan

*Specialties: Neuromuscular medicine, gamification, resident education, and technology*

**JEREMY MOELLER, MD, MSc, FRCPC, FAAN**

Department of Neurology  
Yale School of Medicine

*Specialties: Clinical epilepsy, EEG, neurology education, clinical neurophysiology*

**GAURI V. PAWAR, MD, FAAN**

Professor and Vice Chair for Education

Residency Program Director  
WVU Dept of Neurology

*Specialties: General neurology, clinical neurophysiology, neuromuscular*

**SUBHA RAMANI, MBBS, MPH, MMed, PhD**

Division of General Internal Medicine/Brigham and Women's Hospital

Assistant Director for Global Perspectives and Community, Brigham Education Institute

Associate Professor of Medicine, Harvard Medical School

Adjunct Professor, Massachusetts General Hospital Institute for Health Professions Education

Executive committee member, AMEE (Association for Medical Education in Europe)

*Specialties: Health Professions Education—curriculum design, program evaluation, educational study design*

**RANA R. SAID, MD, FAAN**

Professor of Pediatrics and Neurology  
University of Texas Southwestern Medical Center  
Children's Health Dallas  
Department of Pediatrics, Division of Neurology

*Specialties: Multiple sclerosis, neuroimmunology, neuroophthalmology, epidemiology, genetics, digital health*

**RACHEL MARIE E. SALAS, MD, MEd, FAAN**

Johns Hopkins School of Medicine  
Meyer/Neuro Sleep

*Specialties: Medical education, health professions education, clerkship, interprofessional education, health systems science, sleep, insomnia, rls, narcolepsy, circadian rhythm, sleep apnea*

**STEFANO SANDRONE, PhD**

Department of Brain Sciences, Faculty of Medicine, Imperial College London

*Specialties: Neuroscience education, neurology education, medical education, neuroimaging, neuroplasticity, history of neurology, history of neuroscience*

**MADHU SONI, MD, FAAN**

Department of Neurological Sciences  
Rush University Medical Center

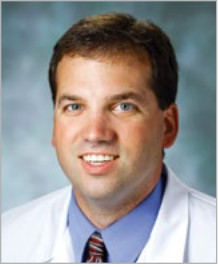

*Specialties: Neuromuscular disease*

**ANDREW M. SOUTHERLAND, MD, MSc, FAHA, FAAN**

Departments of Neurology and Public Health Sciences  
University of Virginia

*Specialties: Stroke, cerebrovascular disease, clinical trials, neurology education, education research*

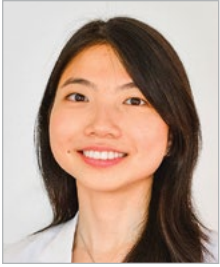

**STEPHEN SOZIO, MD, MHS,  
MEHP**

Department of Medicine,  
Division of Nephrology, Johns  
Hopkins University School of  
Medicine

Department of Epidemiology,  
Johns Hopkins Bloomberg  
School of Public Health

*Specialties: Medical education,  
nephrology, epidemiology*

**MARIE CHARMAINE SY LUKBAN, MD, MBA**  
University of the Philippines-  
Philippine General Hospital

*Specialties: Adult neurology, stroke, vascular neurology, interventional neuroradiology*

**COLE N. CROWSON, MD**  
Oregon Health & Science  
University  
Department of Neurology

*Specialties: Multiple sclerosis and neuroimmunology*

**DANIEL G. DI LUCA, MD**  
Toronto Western Hospital  
University of Toronto

*Specialties: Movement disorders*

**PREETA GUPTA, MD**  
University of Michigan Hospital  
Department of Neurology

*Specialties: Neuroimmunology, multiple sclerosis*

**STEVEN M. LAZAR, MD**  
Division of Neurology and  
Developmental Neuroscience  
Baylor College of Medicine—  
Texas Children's Hospital

*Specialties: Child neurology, neurodevelopmental disabilities, medical education*
